

SEMINARY RIDGE CIVIC ASSOCIATION, INC.

19 October 2022

Greetings Neighbors,

Share your input through October 28 on the City's **Duke Street *In Motion*** project! This initiative will affect us all, so the more residents who can provide feedback the better! Community input received in October will contribute to deciding which elements to advance into further design, analysis, and additional public input as the City works to develop a final design recommendation.

There are two more upcoming opportunities to voice your opinion in-person:

- **October 20, 2022 6:30-8:30pm, Duke Street Advisory Group, Presentation on the westernmost segment of the project (Segment #1) (West End Alexandria – Jordan Street)**, Patrick Henry Rec Center, 4653 Taney Ave, Alexandria
- **October 26, 2022 5:30-8:30pm, Corridor-wide Open House on the Entire Project** (no presentation at this meeting, drop in any time), Patrick Henry Rec Center, 4653 Taney Ave, Alexandria

There are several other ways you can learn more and provide your input:

- **Review materials online:**
