Alexandria West Planning – Community Poll #1 Extended Until January 25!

This planning process will engage the community to create a vision for the area's long-term future and explore topics such as housing affordability, equity, culture, land use, mobility, pedestrian and cyclist safety and accessibility, and connecting existing and future open spaces.

Share your thoughts and ideas by **January 25** on what can make your community better. Your anonymous feedback will help to shape a new Alexandria West plan to guide the future. You can access the community poll below:
