

SEMINARY RIDGE CIVIC ASSOCIATION, INC.

15 February 2023

Hello Neighbors,

The Duke Street Transitway (aka Duke Street in Motion) advisory group will meet this Thursday, Feb. 16, at 6:30 p.m. **This meeting, and all future meetings, will occur at the DASH facility: 3000 Business Center Drive.**

This week's discussion will focus on "edge/curb features": bike lanes, sidewalks, shared-use paths, and trees and other vegetation. One proposal includes **redesigning / re-purposing frontage roads** to accommodate edge/curb features. If you live on or routinely utilize a frontage road, or are concerned about your neighbors who do, you are highly encouraged to attend the meeting in person or virtually, and provide comments to the project team via Jen Monaco: jennifer.monaco@alexandriava.gov. To participate virtually, you must preregister at https://zoom.us/webinar/register/WN_mXAnVFaxSxO1qzc8G0cJWw.

Two key documents to download and review show design options:
