

SEMINARY RIDGE CIVIC ASSOCIATION, INC.

17 April 2023

Attention Seminary Ridge residents!

Don't forget that SRCA will be holding a special meeting this **Thursday, April 20 at 7:00 PM** that will focus on a critical and timely single family zoning policy issue that is currently being evaluated by the City of Alexandria. **Seminary Hill Association President and civic advocate, Bill Rossello, will be our guest speaker and will discuss the City's plan to *eliminate* single family zoning.**

This meeting will be held via Zoom and we encourage all residents to join! Depending on what the City government decides, there could be large changes to neighborhoods zoned for single family homes like Seminary Ridge. You won't want to miss this important meeting!

To join the Zoom meeting:

<https://us02web.zoom.us/j/87818500264?pwd=ZmdTSkVZMlZhWVplWVMzYnV5dEF2dz09>

Passcode: 529743

For more information on the Zoning for Housing/Housing for All initiative please visit the [project website](#) and the [proposed 2023 zoning for housing initiatives](#).

A Zoning for Housing Community Meeting will also be held on Tuesday, April 18 from 6-8 PM at the William Ramsey Rec Center.

In other news...

St. Stephen's and St. Agnes School will hold a meeting on April 27 at 6:00 PM in the Upper School Dining Hall (1000 St. Stephen's Road) to give an update on the upcoming construction at the upper school. Click to view the [meeting agenda](#). All community members are welcome to attend. If you have any questions, please contact construction@ssas.org.

In honor of Earth Day, SRCA will be holding its annual **Spring Community Clean-up day on Saturday, April 22!** As everyone spruces up their yards this Spring, we also want to improve the appearance of our communal areas – the median islands on Fort Williams Parkway and the island on Fort Worth Avenue.

Everyone is encouraged to come out on April 22 (any time from 9:00 AM until noon) and meet at either of two locations: the corner of Fort Williams Parkway and Fort Worth Avenue or the island on Fort Worth Avenue.

Bring a pair of work gloves, a spade to dig up weeds and rocks, your yard waste container, wheelbarrow, or a trash bag. Plan to take back to your home whatever you pick up and put it out with your yard waste

during the next week's trash collection. This is a great opportunity not only to beautify our neighborhood, but it's also a terrific idea for a community service project for many of our younger residents! We hope to see many of you there!
